The Adventures of Sally
by P. G. Wodehouse (1881-1975)

This romantic comedy, published in 1922, stars a young American girl named Sally, who inherits a considerable fortune and finds her life turned upside down. The typically Wodehouseian cast includes Sally’s ambitious brother, an assortment of theater people, a pair of English cousins, and, of course, an Uncle. It’s jolly good fun!

Total running time: 8:23:13
